

WireCrafters®

A SIMPLE SHELVING SOLUTION THAT MAKES IT EASY TO ADD SHELVING TO WOVEN WIRE PARTITION.

HOOK & STORE SHELVING

Hook & Store Shelving

The simple, smart shelving system.

WireCrafters®

product overview & specs

How the shelving system works.

- 1 Align notch in shelving upright onto angle frame of both wall panels. Space uprights to match bolt holes in shelves.
- 2 Hook the two shelving gusset supports to the shelving uprights at your desired location.
- 3 Rest shelf on gussets and bolt shelf to shelving upright, with 1" carriage bolts.
- 4 Bolt back plate with 3" carriage bolt at the top of each shelving upright.
